Now Is the Time to Believe

Some Christians have the notion that if they believe God for something, it should happen right away. Then if it doesn't, they give up. It's important that we realize **our actions today open the doors of opportunity tomorrow**. We have been waiting for opportunities to come *someday*, instead of acting on what we believe today. We have been waiting on God when we should have been confessing God's Word that cannot—and will not—fail us if we'll hold fast to it!

You see, how we believe God today will affect what we receive from Him tomorrow. Remember the children of Israel? Unbelief kept them out of their Promised Land for 40 years. An entire generation of Israelites had to die off before God could lead in a group of people who would take Him at His Word so He could show them His power (Heb. 3:16-19).

Unbelief will keep us out of our promised land too. But **God has secured for us a bright future filled with His blessings and goodness**. He has done it through Jesus Christ. Jesus paid a great price to save us from eternal damnation, heal our bodies, deliver us from every bondage, and prosper us financially and materially. These things are all available to us today in the here and now—if we'll only believe!

Second Corinthians 6:2 (NIV) says, *"NOW is the time of God's favor, NOW is the day of salvation."* Our day of deliverance has dawned! And *right now* is the time for us to take hold of, and begin walking in, the blessings of God!

If you're ready to do that today, this month's issue of the magazine will help stir up your faith. My article on page 4 will cause you to dig deeper into the things of God. And Craig's article on page 28 will rekindle the fire of God on the inside of you.

Don't wait another minute to start believing! Your faith in God's Word is the vehicle that will transport you from where you are now to living the good life!

DIG

A LITTLE DEEPER

DID YOU EVER NOTICE that sometimes the Lord will tell you to do something that doesn't sound right in the natural?

In Second Kings chapter 3, we find three kings in a very bad situation. Jehoram, king of Israel, Jehoshaphat, king of Judah, and the king of Edom have marched their armies into the desert to fight against Moab. Now, seven days in, they find themselves without water for their men or animals.

King Jehoram immediately started blaming God for their problem. He wasn't serving the Lord. But King Jehoshaphat knew about God's power. In verse 11 (NKJV) he asks, "*Is there no prophet of the Lord here, that we may inquire of the Lord by him?*" And a servant directed them to the prophet Elisha.

Now if it hadn't been for the faithful king of Judah, Elisha wouldn't have given King Jehoram the time of day (2 Kings 3:13–14). But as the musician began to play, the word of the Lord came through him. Let's pick up the story here.

2 KINGS 3:16–20 (NKJV)

16 And he [Elisha] said, "Thus says the Lord: 'MAKE THIS VALLEY FULL OF DITCHES.'"

17 For thus says the Lord: 'You shall not see wind, nor shall you see rain; yet that valley shall be filled with water, so that you, your cattle, and your animals may drink.'

18 And this is a simple matter in the sight of the Lord; He will also deliver the Moabites into your hand.

19 Also you shall attack every fortified city and every choice city, and shall cut down every good tree, and stop up every spring of water, and ruin every good piece of land with stones."

20 Now it happened in the morning, when the grain offering was offered, that suddenly water came by way of Edom, and the land was filled with water.

These kings are in the *desert*—in a low, dry place—and the Lord says, "Dig ditches." Sounds sort of crazy, doesn't it?

If you've ever dug ditches before, you know it's hard work anytime. But it's extra hard work when the ground is dry and hard. To add to that, these men are thirsty!

Nonetheless, they followed the Lord's direction. They filled that valley with ditches. And the next morning, those ditches were filled with water—just as the Lord had said! Hallelujah!

ARE YOU IN A LOW PLACE?

Maybe you're in that low, difficult place today, just as those kings and their men were. Maybe you feel dry and empty. Maybe the devil's been telling you, "It's not worth it. You may as well throw in the towel. Those dreams and visions . . . they're never going to come to pass in your life. You're never going to see those children saved. You're never going to get out of debt."

You have to make up your mind that you're going to hold on to the promises of God. You've got to keep digging!

I know it's hard work. I know it's difficult. And I also know it doesn't make sense sometimes. But keep digging! Keep praying, praising, speaking the Word, and sowing! Keep going to church. Don't grow weary in well doing. The Word says that in due season, you *will* reap if you don't quit (Gal. 6:9).

See, the devil thinks he's got you. He thinks you're going to sit down and cry in that dry place. He thinks you're going to just give up and fall apart. But he's not counting on you digging a deeper ditch. He's not counting on you digging until you see breakthrough.

Keep digging! And as you dig, begin to praise the Lord. Create an atmosphere where He can come and fill up your ditches with whatever it is you need. Your praise will cause debt to wash away. Your praise will cause marriage problems and sickness to disappear. Your praise will cause your children to be saved.

Start praising the Lord as if the doors of opportunity have already swung open wide! The water is on the way! Joy is just around the corner.

START *praising* THE LORD
AS IF THE DOORS OF OPPORTUNITY HAVE
already SWUNG OPEN WIDE!

TAKE BACK WHAT BELONGS TO YOU

I want you to notice something about the story of the three kings in the desert. God not only told them He'd provide water, but He also promised, "I'm going to deliver these Moabites into your hands. You're going to tear up every city. You're going to cut down every tree."

In other words, God is not just going to fill up your ditches. He's going to give you the power to walk into the enemy's camp and take back everything that belongs to you!

You're not going to die in the desert! It is a new season. And if you'll begin to dig some deep ditches for the blessings of God and praise Him, He will bring you out of that low place.

This is your day! This is your hour! Whatever it is you're facing, dig your ditch a little deeper. God is going to meet your needs!♥

FAITH IN ACTION

Don't Stop Digging

For 10 years, every time Lynette and I prayed over our food, we'd say, "Thank You, Lord, the Rhema aircraft is paid off." We just kept digging that ditch—every day!

In April 2013, we made the last payment on the aircraft. We were so excited, and we thanked God for it. But Lynette also wondered why it had taken so long. She said, "Lord, I'm not complaining, but I thought it would be paid off sooner."

God told her, "You never were late on a payment. You never missed a payment. It was your praising and speaking that kept the money coming every month for you to make the payment. So now, it's paid off!"

Perhaps you have been believing God for something, and you've been digging and digging and digging. Don't stop! God will supply what you need. It might not happen the way you think it will. But when you keep digging, He will provide!

The Power of Forgiveness

LYNETTE HAGIN

GOD WANTS US to prosper in every way! He wants us to have a life better than we ever dreamed of. That's why Jesus gave His life. He came to redeem us.

Unfortunately, some believers aren't experiencing this abundant, fruitful life. They're not prospering or enjoying good health—even though they're making confession after confession. Why? The Lord told me it's because they're in a prison of unforgiveness.

FORGIVENESS IS A WORD WE BOTH LOVE AND HATE. It's tremendous when it's applied to us! God was so merciful to send Jesus to die for our sins. Now we're forgiven. It's as if God clicked delete on His heavenly computer. Our sins are totally removed from the hard drive—never to be remembered or held against us.

We're certainly thankful for that kind of forgiveness. But there's another facet of forgiveness that's more difficult to deal with. And that's when God asks us to exercise that same forgiving power toward others.

Mark 11:25 (NKJV) says, “*And whenever you stand praying, if you have anything against anyone, forgive him, that your Father in heaven may also forgive you your trespasses.*” In other words, we must forgive

everyone who has offended us or who has done us wrong. How many times must we forgive? Jesus told Peter, “Seventy times seven” (Matt. 18:21–22). That's 490 times for just one offense!

A Hard Pill to Swallow

I don't know about you, but when I first discovered these verses in the Bible, it was a hard pill for me to swallow. I'm a person who loves deeply. So if someone I cared about said something bad about me, it would really hurt me. To protect myself from being hurt again, I'd write them off. I'd just put them in my “never-to-speak-to-again” file.

But when I heard my father-in-law, Kenneth E. Hagin, teaching on this subject, I knew I had to straighten up my act. I knew I had to learn to forgive.

Now, **FORGIVENESS DOES NOT MEAN WE DENY THE EVIL THAT HAS BEEN DONE TO US.** It doesn't mean we gloss over the pain we've suffered and excuse sinful behavior. It doesn't mean we let someone continue to abuse us. And it certainly isn't about removing all the consequences.

No! True forgiveness is about you. It's about cleansing yourself from the poison of resentment. It's about healing yourself.

See, bitterness will keep you from having the kind of relationship with God that you should have. It will take away your joy and can even harm you physically. I've known

people who died prematurely after allowing bitterness and unforgiveness to overtake them.

It's a Choice

We must decide we're going to forgive. It's a choice we make—not a feeling. God never said, “Forgive them if you feel like it.” We're never going

WHEN WE *choose* TO FORGIVE RATHER THAN HOLD A GRUDGE OR RETALIATE, OUR LIVES WILL *change*.

to feel like it. But when we choose to forgive rather than hold a grudge or retaliate, our lives will change. We'll find healing, restoration, and freedom that only the Lord can give.

Is there unforgiveness in your heart today? Don't let those situations continue to hurt you. Jesus has given us the key—forgiveness. And if you'll open the door of your heart and take out all of the junk you've been holding on to, He will restore you. Let the Lord heal you. Choose to forgive today.♥

DON'T MISS any of our exciting speakers this year! See **PAGE 8** for all the details!

PRAY THE FOLLOWING PRAYER OUT LOUD:

Lord, I choose to forgive those who have hurt me. I choose not to hold on to resentment. I let go of my right to seek revenge, and I ask you to heal my damaged emotions. Thank You for setting me free from the bondage of bitterness. In Jesus' Name, **AMEN.**

FLEXIBLE IN HIS HANDS

**“We DO OUR PART, AND
God DOES HIS.”**

BY THE TIME she was a teenager, Adriana was an atheist. She simply couldn't believe in a God Who would allow her to grow up in a dysfunctional home filled with chaos and fear. Deeply troubled, she considered suicide. But even that fell through. Nothing, it seemed, was going her way.

With nowhere to turn, Adriana found herself surrounded by darkness in her home country of Brazil. One of her friends was dabbling with demonic possession. Face to face with evil, she realized that the devil was real. But if he was real, she concluded that God must be real as well. And at age 18, Adriana was born again. “I fell in love with the Lord,” she remembered. “He became my everything.”

Though her life was turning around, Adriana still carried a lot of emotional baggage. But one year after her salvation, she met a group of believers, one of whom loaned her a book in Portuguese. That book was *How You Can Be Led by the Spirit of God* by Kenneth E. Hagin.

Hungry for the Word, Adriana devoured that book—and all of the other Hagin books loaned to her. Eventually, she found out about a Bible school started in Brazil by two Rhema USA graduates—Bud and Jan Wright. She gave up her job and moved 500 miles to attend.

“The teaching of the Word of God at Rhema set me free,” Adriana exclaimed. “And it still sets me free because it's a process for your soul—your mind—to be renewed. It's exciting because it never ends. You are always knowing the Lord more. You are always growing more. His Word changed my life completely and is still changing me.”

In 1998 Adriana graduated from the school which would eventually become Rhema Bible Training College Brazil.

SIMON

Born in England, Simon Potter grew up in church. He knew about Jesus and believed He existed. What he didn't know was that you had to be born again. His church didn't teach that.

But at age 16, through a revival in his school, God got hold of him. Then, in his last year of university, Simon was filled with the Spirit. “It was like being born again—again,” he exclaimed. “I didn't realize at the time that the man who prayed with me used Kenneth E. Hagin's book *Seven Vital Steps to Receiving the Holy Spirit*. But he introduced me to the word of faith message and Kenneth E. Hagin.”

That introduction left Simon wanting more. In 1989, at the Lord's direction, he packed his bags and headed to the States to attend Rhema Bible Training College USA. “I wanted to go somewhere that would teach me how to be me as a minister,” he said. “And Rhema did that.”

After graduating in 1991, Simon returned to England to help his friends and fellow Rhema graduates Derek and Hilary Walker start a church. In 1993 he began traveling around the world to minister. “I never felt fixed,” he recalled. “I knew I was supposed to be moving.”

And move he did! India, Eastern Europe, Latvia . . . he lived like a nomad traveling and ministering 280 days of the year. In 1999 he landed in Brazil for the first time. To be precise, he landed on Adriana's doorstep.

A GOD STORY

“It's kind of weird how God works sometimes,” Simon laughed. “I'd done my degree in Japanese at university. I had a heart for the Japanese people. I heard that the largest Japanese population outside of Japan is in Brazil. That was the hook God used to put Brazil on my radar and in my heart.”

Interestingly, one of the cities God placed on Simon's heart for that trip

Brazil

**SIMON &
ADRIANA
POTTER**

was Fortaleza—Adriana’s hometown. He ended up holding a meeting in her church, and that’s where they first met.

For Adriana, it was like something exploded inside her. A few months before, a woman had told her, “I had a vision. I saw your husband. I saw you both traveling the world and going to many nations.” Adriana had kept those words to herself, trusting God to make it happen. When Simon came, she knew in her heart that he was the man in the vision. Still, she kept it to herself. If God said it, He would bring it to pass.

Over the next two years, Simon and Adriana saw each other only twice. Busy with ministry, Simon remained oblivious to Adriana. She continued working in her local church and even began teaching in the Bible school. It wasn’t until they were asked to collaborate on some missions trips that God began to work on Simon’s heart.

“It was like the Lord was directing me to look in Adriana’s direction,” Simon explained. That was in September 2001—and Adriana couldn’t have been happier. By January of the following year, she and Simon were married.

THE MISSION

Today Simon and Adriana are based in Oxford, England. They help in their local church, but they’ve also been itinerant missionaries together since 2002. As a team, they’ve been to Asia, South America, Japan, the Russian far east, the Philippines, and other locations. They minister

in Bible schools, churches, conferences—and wherever else the Lord leads.

Every place Simon and Adriana go, their ministry is different. At times they’ll go places just to fellowship with people and encourage them. “Different places pull different things out of you,” Simon observed.

“We’re called to go and help strengthen the works that exist,” he continued. “We want to help things take deeper root, because when the roots are deep those works can really take off.”

THE RESULTS

Everywhere they go, Simon and Adriana are seeing results. People are being set free from bad habits. Families are experiencing restoration. Those who have been in bondage to religious tradition are finding freedom.

In one country Simon taught a course on the Blood Covenant. One of the men in attendance shared the MP3 messages with his pastor, who had been facing a lot of sickness in his family. After he listened to those messages, everything changed. The pastor said, “That word changed my family’s health. Our days of sickness and hospital are gone!”

“People out there know so little—even ministers,” Adriana noted. “They haven’t been trained. You see that need and your heart aches. But that’s the teaching Rhema is giving to people.”

No matter what the future holds for Simon and Adriana, they’re ready. It doesn’t matter to them where they live. Even what they’re doing doesn’t matter. What matters to them is that they’re doing what God has told them to do. “We want to be flexible in His hands,” Simon said. “We do our part, and God does His.”

HE IS MORE

KENNETH W. HAGIN

“When Jesus came into the region of Caesarea Philippi, He asked His disciples, saying, ‘Who do men say that I, the Son of Man, am?’ So they said, ‘Some say John the Baptist, some Elijah, and others Jeremiah or one of the prophets.’ He said to them, ‘But who do you say that I am?’ Simon Peter answered and said, ‘You are the Christ, the Son of the living God.’”

— MATTHEW 16:13–16 (NKJV)

TODAY people are splitting theological hairs over the question, “Who is Jesus?”

Some say, “He was a mere man.” Others argue, “He wasn’t a mere man. He was a great teacher.” Or “He was a great prophet.” “He was the greatest moral person who ever lived.”

Jesus was the greatest teacher the world has ever known. He was the greatest preacher the world has ever heard. But He is more than all of this.

JESUS IS THE **FRIEND** TO THE FRIENDLESS.

HE IS THE **PHYSICIAN** TO THE SICK.

HE IS THE **PSYCHIATRIST** TO THE CONFUSED.

HE IS THE **BANKER** TO THE POOR.

HE IS THE **COMPASS** TO THE TRAVELER.

HE IS THE **BRIGHT AND MORNING STAR** TO THE ONE WALKING IN DARKNESS.

HE IS THE ONE WHO **ROSE** FROM THE DEAD.

HE IS THE **SAVIOR** FROM EVERY SIN.

HE IS THE **CHRIST**, THE SON OF THE LIVING GOD!

If I had a thousand tongues and a thousand lives, I could never tell all that Christ is. As the Apostle John said on one occasion, “There are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written” (John 21:25 NKJV).

Jesus wants you to know Him and all that He is. And you can know Him—the Christ, the Son of the Living God. Simply pray the following prayer from your heart:

God,

I come to You in Jesus’ Name. I admit that I have sinned and come short of Your standard. Thank You for sending Your Son, Jesus, to pay the price for my sins. Jesus, thank You for dying on the cross for me. I ask You to be my Savior and Lord. I trust You to be everything I need. Through You, I receive God’s free gift of eternal life.

Thank You for saving me!

If you prayed this prayer for the first time, welcome to God’s family! Email us at partnerservice@rhema.org and let us know about it. We’d love to send you some free materials to get you started in your new life as God’s child!

READY TO MAKE THEIR MARK ON THE WORLD!

Rhema USA Graduates 40th Class

CHEERS AND APPLAUSE from family and friends greeted Rhema Bible Training College's 40th class as the 403 graduates filed into the Cox Business Center auditorium in Tulsa. Their caps and gowns showed clearly that they had successfully completed their training and were equipped and eager to enter the harvest fields of the earth.

Dr. Steve Houpe, pastor of Harvest Church International Outreach in Kansas City, Missouri, and a 1986 Rhema graduate, delivered the commencement address. Rev. Houpe exhorted the graduates to have courage to trust God for what He has called each of them to do.

You've got a lot of information—a lot of principles and steps. You have a lot of how-tos. But to implement all the things that the instructors have poured into your life over the last two or three years, it's going to take courage. It will take courage to fulfill the call of God on your life. Many people start out on the journey, but not all finish. They lose one of the great ingredients needed not only to start, but to finish, and that ingredient is courage.

When I think of the 40th graduating class, I think of Joshua. God had called him, trained him, and developed him to be the next leader of His people. But before Joshua was put in charge, he served under Moses the leader of God's people. When God ushered Moses into his ministry, he was 80 years old. Then another 40 years passed and the Bible says in Deuteronomy chapter 31 that Moses was 120 years old and at the end of his journey. Right behind Moses was Joshua, his faithful and loyal follower.

In Deuteronomy 31:7 God through Moses gave a charge to Joshua before he was set to lead His people. God charged Joshua to be strong. This is the same charge I give you. God is charging the 40th graduating class to be strong and of good courage! If you have dreams and visions on the inside of you and you don't know how they're going to get done, I charge you to not fear, to not be afraid.

The same Lord God Who was with Moses, and Joshua, and Zechariah, and Esther, and

Haggai, and Abraham, and Kenneth E. Hagin, and Who is with Kenneth W. Hagin, is the God Who is with you today! What God has started in you will come to pass, if you don't quit.

There is a reason why God chose you to be the 40th graduating class. There is something fresh and new that God is getting ready to release into the earth. And you are the ones that He has chosen to release that fresh anointing and fresh glory. You are the ones!

GOD IS GOING TO DO SOMETHING GREAT IN EACH OF YOUR LIVES. Fortieth graduating class, you're going to be like a whirlwind released on this world. You will take the word of faith to the four corners of this world. God is charging you to take courage! What God has started in your life, He will

finish until He returns. Everything you need to be successful in the ministry that God has called you to, He will supply. **SO TAKE COURAGE! YOU'RE GOING TO MAKE A MARK IN THIS WORLD THAT CANNOT BE ERASED!**

As the ceremony ended, each graduate walked from the auditorium holding a lit candle in one hand and a runner's relay baton in the other. On each baton was inscribed, "I commit today to carry the baton of revival to this generation. I will carry the banner of faith and God's power to a lost and dying world. This is my time to do all God has called me to do!"

DID YOU KNOW?

Each year President Kenneth W. Hagin issues a charge to new graduates by reading from the Scriptures. One of the verses he reads is Isaiah 52:7 (NLT 1996): "How beautiful on the mountains are the feet of those who bring good news of peace and salvation, the news that the God of Israel reigns!"

Timeless
Teachings
of Kenneth E. Hagin

THE DEVIL IS

UNDER OUR FEET

EVERYTHING has been placed under Jesus' feet (Eph. 1:22). That includes the devil. Since we are a part of the Body of Christ, all things are under our feet as well. It doesn't matter what type of problem comes against us—physical, emotional, financial, family, and so forth. We can walk on top of every one of these situations.

Psalm 91:13 says, "*Thou shalt tread upon the lion and adder.*" This verse uses lions and adders to represent forces that are strong and fierce. It is literally talking about Satan and his demonic host. If we're treading on something, it means we're walking on it. In this case, we are supposed to walk on devils and demons.

The word *adder* in Psalm 91:13 is also translated "asp," "serpent," and "cobra." Looking further at this word, we see that it carries with it the thought of a nest of snakes. Spiritually speaking, this is referring to different types of demons. But no matter how many demons we encounter, we have the authority to tread on *all* of them.

Deuteronomy 32:33 talks about the cruel venom of asps, and Romans 3:13 says, "*The poison of asps is under their lips.*" These verses refer to backbiting, tale-bearing, and slandering. We have probably all experienced the vicious sting of untrue and unkind words spoken about us. When we become victims of poisonous words, we must remember that we have the power to tread on what was said. The unkind, cutting words of others don't have to hurt us. We can walk over the lies and keep going!

In a different vein of thought, failures and missteps in life can also sting. They can crush us and keep us from moving forward. We have authority to tread on the mistakes we've made. We can step over failures and rise up in victory through Christ.

God wants us to rule and reign in our lives. In other words, He wants us to experience victory all the time, not just occasionally. Although He has given us the victory, we must take possession of it. It's ours potentially. Unfortunately, that is as far as many

IT'S UP TO US
TO PUT THE DEVIL ON THE RUN
BY USING OUR **authority**.

Satan's Defeat

Some Christians become fearful whenever the devil or demons are mentioned. They'll even lower their voices to a whisper when talking about them. Others take an opposite stance and feel that it's their responsibility to "wrestle" against principalities and powers. The truth is, neither group really understands the authority Jesus gave them over Satan and his demonic forces. They don't know they don't have to be afraid of the devil or "war" against the forces of darkness.

Jesus defeated Satan through His death at Calvary. During His three days in hell, Jesus conquered the devil and all of his demonic forces. He also took the keys of hell and death from Satan (Rev. 1:18). Before Jesus ascended into Heaven, He transferred His authority over the devil and demonic powers to every believer, not to just a few select Christians or to those called to the five-fold ministry. (See Matt. 28:18–20 and Mark 16:15–18.)

This authority belongs to us whether we realize it or not. Satan doesn't want us to learn about the authority we have over him and will do everything he can to hide this truth from us. He will fight believers more on this subject than on any other truth. If he is able to blind our eyes to our authority, he can easily defeat us in every area of our lives.

Once we know that we have authority over our enemy, it's up to us to exercise, or enforce, that authority. It doesn't work automatically. Simply knowing that we have authority over Satan is not enough. If we don't use it, we are allowing the devil to dominate us. Only knowledge that is acted upon will bring results.

Because Jesus triumphed over Satan, we don't have to "war" against our enemy. Our combat with the devil should be from the viewpoint that Jesus Christ has already defeated him. Our battle, so to speak, is simply enforcing what Christ has already won for us. Satan can't dominate us unless we allow him to. When we realize this and walk in our authority, we will enjoy the reality of what is rightfully ours and face the devil without any fear or hesitancy.

believers get. They know God's blessings belong to them, but they never possess them. We have to put our foot down and demand that what God says about us is true. We are victorious, healthy, prosperous, and so forth.

God told Joshua, "Every place that the sole of your foot shall tread upon, that have I given unto you" (Joshua 1:3). God gave the Promised Land to Joshua, but Joshua didn't possess the land until he took steps to *take* what was his. Many people say that they are waiting for God to give them the victory. He can't give them the victory because *they already have it*. He's waiting for them to "take" it. What Jesus did for us on the cross will never become a reality in our lives until we do something about it.

Many people are hoping that God will heal them. But He already provided healing for us through Jesus. God is waiting for us to "take" what Jesus bought for us. Too many people think the blessings of God will just fall on them. But we have to put forth some effort. "Thou shalt tread" means that we have to do something. We have to stand on the Word of God in faith until we see it become a reality in our lives.

How much victory we experience really depends on us. If we don't tread on sickness, disease, and poverty, we will remain sick and poor. It's up to us to put the devil on the run by using our authority, standing firm in our faith, and thanking God for what He has wrought for us. Scripture tells us that when we resist the devil, he *will* flee (James 4:7). When we enforce Christ's victory, we will receive everything that belongs to us! 

WHAT JESUS DID
FOR US ON THE CROSS
WILL NEVER BECOME A **reality**
IN OUR LIVES UNTIL WE DO SOMETHING
ABOUT IT.

'A Walking Miracle'

SOMETHING was wrong. Doug Mitchell—husband, father of three, and bivocational pastor in Mount Kisco, New York—woke up with a headache unlike any he'd experienced before. It was excruciating—and he was also sick to his stomach.

As the day went on, the pounding in Doug's head only worsened. Nothing he did seemed to make things better. Concerned about dehydration, his wife, Christine, suggested they go to the emergency room. Agreeing, Doug managed to dress himself—a good sign. But then he proceeded to walk the wrong direction to the car. **HE WAS DISORIENTED—AND THINGS WEREN'T GOING TO IMPROVE ANYTIME SOON.**

At the hospital, Doug and Christine, 1996 Rhema Bible Training College graduates, received terrible news. CT scans revealed a blood clot in Doug's brain. Needing to be sure she understood what the doctor told her, Christine asked, "Are you saying that if we don't do surgery my husband is going to die?" The answer was yes. **DOUG NEEDED EMERGENCY BRAIN SURGERY.**

The Rhema Family

Faced with the impossible, it would have been easy for Christine to fall apart. She couldn't go to Doug for comfort. He was completely out of it from the pain. But her family, church family, and Rhema family were there to help.

Christine received phone calls from all over—including one from Lynette Hagin. "Mrs. Hagin was such a blessing to me," Christine recalled. "She encouraged me and prayed with me. She kept saying, 'All is well!'"

Christine needed those words. Immediately after that phone call, the neurosurgeon came in to show her the images from the CT scan. He pointed out the massive blood clot that filled the entire right side of Doug's head. Then he pointed to a shadowed mass behind the clot. It was a tumor—and the doctor wasn't sure he could do anything about it in this first surgery.

Reeling, Christine returned to Doug's side. She held on to

him and began to sing quietly, "Jesus Is My Healer." Though he didn't realize the full severity of the situation, Doug did know one thing. **"MY COURSE IS NOT FINISHED," HE SAID.**

Touch and Go

In the early morning hours of Sunday, February 17, 2013, Doug underwent a five-hour surgery. Christine prayed over him and the surgeon before they went into the operating room. Then she and three women from their church gathered in the ICU waiting room and began to pray in the Holy Ghost. They did this for hours.

When the doctor emerged from the operating room, he had good news. They'd successfully removed the blood clot, but they hadn't seen the tumor. Tests later confirmed what they *hadn't* found. The tumor was indeed gone! "That was all God," Christine exclaimed!

But Doug's fight was far from over. As he recovered in ICU, his condition was touch and go.

His blood pressure would spike and

"I came out of Rhema,"

DOUG POINTED OUT.

"I HAVE THAT SPIRIT OF 'I CANNOT BE DEFEATED, AND I WILL NOT QUIT.'"

DOUG & CHRISTINE MITCHELL WITH THEIR CHILDREN, SARAH, ANDREW & ABIGAIL.

then quickly plummet. He was at a high risk of having a stroke.

Again his family backed him up—and that included the Rhema family. The day Doug had his surgery was the first day of *Winter Bible Seminar* on the Rhema campus in Broken Arrow, Oklahoma. Kenneth W. Hagin and the Rhema family lifted Doug up in prayer. Those prayers were a lifeline for Doug, Christine, and their entire family.

Unfazed

One week after surgery, Doug returned home. His strength and mobility were depleted. It took two people just to help him sit up. His vision was also severely affected. He said it seemed as if a plank covered parts of his eyes and he was unable to focus on objects.

Unfazed, **DOUG STOOD ON THE WORD.** He listened to healing scriptures 24/7. He fed on the DVDs from *Winter Bible Seminar*. And no matter what it looked like, he said over and over again, “God is healing me. I see everything.”

Slowly but surely, Doug began to regain his stamina and strength. At the end of April, he preached in his church for the first time

since the surgery. His message was short, but he did it! Doug also saw a 33-percent gain in his vision over four months. And it’s still improving today!

“I came out of Rhema,” Doug pointed out. “I have that spirit of ‘I cannot be defeated, and I will not quit.’ I was determined to come back better than ever.”

A Celebration

One year to the day after his surgery, Doug stood on the Rhema stage at *Winter Bible Seminar 2014* to share his testimony. “It was a very significant thing,” he noted. “No one knew it, but while I was recovering, I saw myself giving a testimony at Winter Bible. I didn’t know how it was going to happen, but I saw myself giving God glory. I saw myself totally whole and being able to do that. And I did!

“God is so faithful,” he continued. “This was a fiery dart that came to take me out—to steal my effectiveness. But thank God for the shield of faith that extinguishes those darts! **THANK GOD FOR THE SPIRIT OF FAITH WE RECEIVED AT RHEMA** that says you can rise above circumstances. I’m a walking miracle!”

CRAIG W. HAGIN

ANYTHING JESUS DID,
WE CAN DO ALSO,
BECAUSE THE *Greater One*
LIVES *inside* US.

NOWADAYS it's not uncommon to hear about wildfires. With so many places experiencing drought, it doesn't take much for a fire to start. When the ground is dry and conditions are right, the smallest spark can start a fire that quickly becomes an uncontrollable blaze. And anything in its path is engulfed in flame.

Spiritually speaking, there's a lot of dry ground throughout the earth. There's a world full of people who don't know the Lord and who never think about God. They don't know how much He loves and cares for them or that He wants to help them in whatever they're going through.

One way to change this is for the Church to be on fire for God and burn so brightly that its flames consume everything it touches.

KINDLING YOUR FIRE

A lot of Christians think they're on fire. When the power of God hits them in church, they can't contain it. They'll run, dance, and maybe even do cartwheels! But when they get home and reality hits, their fire is quickly snuffed out.

Reality, however, is that God is always with us. Jesus said that He would never leave nor forsake us (Heb. 13:5). And because He's with us, we can be victorious in everything we face.

Instead of letting their light shine in dark places, many Christians are waiting on God to show up. They're waiting on Him to send the fire. They want God to do something. But God is waiting on us. He wants us to stir up the gift that's already in us. He wants us to show His love to those around us and demonstrate His power to a lost and dying world.

THE 10 SPY DOCTRINE

Because people focus on their talents and abilities, they often feel inadequate to demonstrate God's power. It's not about us, however. It's about who we are in

ABLAZE

FOR GOD

WE *carry*
THE FIRE OF GOD WITH US
WHEREVER WE *go!*

Christ. Everything we are, we are in Christ. And anything Jesus did, we can do also, because the Greater One lives inside us.

The reason Christians aren't on fire for the Lord the way they should be is that they follow the doctrine of the 10 spies. In the Book of Exodus, we see that Moses sent 12 men into Canaan to spy out the land. When they returned, 10 of the spies said, "The people that inhabit the land are giants. They're warriors. They have walled cities. There's no way we can conquer this land."

Those men weren't looking to the God Who brought them out of Egypt. They forgot how He led them and sheltered them in the desert, and how He provided water and food for them. They saw their situation only through their own strength and ability.

This is where many of us are today. The Bible is filled with promises that cover every need or problem we will ever encounter. Promises for provision and health. Promises for wisdom, peace, and safety. But like the 10 spies, too many believers are saying, "It's too hard. The economy's too bad. The gas prices are too high. This disease is incurable. There's no way!"

But when the fire of God is ignited in us, we will be like Caleb and Joshua, the only two of the 12 spies whose trust was in God. They knew that with His help they could possess the Promised Land. After the Israelites had wandered in the wilderness for 40 years, Caleb and Joshua were the only two spies who crossed over into Canaan's Land.

When we trust God the way Caleb and Joshua did, we can possess *everything* God has promised us in His Word.

FELLOWSHIP WITH GOD KEEPS US STRONG

Unfortunately, too many Christians don't know what God can do. They don't know who they are in Christ and the power that is already in them. As a result, they're not on fire. And the people they come in contact with don't come close to catching on fire.

The devil is always trying to put our fire out. It's easy for him to do that when we try to live in our own strength.

But when we stay in fellowship with the Lord, our perspective changes. Through our fellowship with our Heavenly Father, we become grounded in who we are in Christ. We get excited about God and about Him living in us. We are able to stand strong against the enemy's attacks. Then, whenever life happens and we get knocked down, adversity won't be able to put our fire out.

Fellowship, however, is a two-way street. And this is where many of us miss it. We're not talking to our Heavenly Father or listening to what He says to us. If we want God to shine through us, we have to spend time with Him.

FOLLOW PAUL'S EXAMPLE

The Apostle Paul faced a lot of hardship in his life. But no matter what he experienced, he stayed on fire for God. From his life we can see how the power of God can flow through us in any situation.

1 CORINTHIANS 2:1-4 (NCV)

- 1 When I came to you, I did not come preaching God's secret with fancy words or a show of human wisdom.
- 2 I decided that while I was with you I would forget about everything except Jesus Christ and his death on the cross.
- 3 So when I came to you, I was weak and fearful and trembling.
- 4 My teaching and preaching were not with words of human wisdom that persuade people but with proof of the power that the Spirit gives.

Whenever Paul ministered, he never tried to woo the crowd with fancy words or impress them with his wisdom. In fact, he said he didn't feel like he was adequate to minister. Instead of trusting in his abilities, Paul always relied on God's power to manifest wherever he was and in whatever situation he faced.

Likewise, we need to forget about ourselves and look to God. When we do, His power will flow through us.

Let's rely on God in everything, and allow His fire to be kindled in us. Just imagine what will happen when we all bring our personal fire to church and worship God in one accord.

But remember, the Church is more than a building. Every member of the Body of Christ is the Church. We carry the fire of God with us wherever we go!

So let's let God's power flow through us. Let's let His love and compassion flow through us to the lost. It's time to be ablaze for God and light up our world with His love, compassion, and power. ♡

// LYNETTE HAGIN

"THE LORD WILL GUIDE YOU ALWAYS; HE WILL SATISFY YOUR NEEDS IN A SUN-SCORCHED LAND AND WILL STRENGTHEN YOUR FRAME. YOU WILL BE LIKE A WELL-WATERED GARDEN, LIKE A SPRING WHOSE WATERS NEVER FAIL."
— ISAIAH 58:11 (NIV)

IN THE LAST ISSUE I talked about placing your trust in God to guide you in all things. I want to continue along these same lines this month. My husband and I continually quoted the 91st Psalm to our children. Both Craig and Denise knew that they could call on that psalm and the promises within it would become a reality in their lives.

Let's concentrate on the first two verses: "*He who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty [Whose power no foe can withstand]. I will say of the Lord, He is my Refuge and my Fortress, my God; on Him I lean and rely, and in Him I [confidently] trust!*" (Amplified). You would think that relying on God would be easy. However, it seems that we trust everything and everyone more than God.

To *rely on* means to depend on, trust in, or have confidence in someone. It means to be confident that a person will perform as expected. God has blessed each of us. He loves to bless us. We have learned our rights and privileges in Christ, and we have been blessed. That is all well and good. But often, as we enjoy our blessings, we stray from the Blessor. We begin to trust in our own ability instead of in the One Who gave us that ability. It is time that we place our confidence in the Lord Jesus Christ. We must know that only through Him will we make it in life.

Let's look at one of the greatest examples in the Bible of trusting in God: "*The Lord had said to Abram, 'Leave your native country, your relatives, and your father's family, and go to the land that I will show you. I will make you into a great nation. I will bless you and make you famous, and you will be a blessing to others. I will bless those who bless you and curse those who treat you with contempt. All the families on earth will be blessed through you.' So Abram departed as the Lord had instructed, and Lot went with him. Abram was seventy-five years old when he left Haran*" (Gen. 12:1–4 NLT).

Can you imagine being 75 and having God say to you, "I want you to leave your country and your family. I want you to go, but I'm not going to tell you where until you get there"? I can guarantee that we would not have obeyed God as quickly as Abram did. But Abram *did* quickly obey.

Why did Abram obey God? Because he trusted in God. Abram left his family. That meant transporting a great household, with servants and cattle. Someone with less faith would have staggered at God's command. God's first word to Abram was "go." And Abram had to start out before God showed him the next step. When he said, "OK, Lord, I'll go," *then* God began to lead him.

Many times we don't want to move until God shows us the whole picture. That is seldom God's technique. He wants us to be people of faith. Sometimes God's direction doesn't make sense to us. All Abram had was the right sense of direction. Not until he was actually in Canaan did God tell him that this was the land of which He had spoken.

Did Abram have tests along the way? Most assuredly yes! No sooner had he arrived in Canaan than a famine struck. Imagine—a famine in the land of promise! After the famine, Abram had trouble with Lot, his relative. Abram realized that he and Lot needed to part, so he gave Lot first choice of the land. Lot chose what he thought was the most prosperous area. However, Abram had what God had chosen for him.

It appeared that God's promise was not coming to pass. When Abram was 99, the Lord appeared to him and reassured him of His covenant and promise. Then God changed his name to Abraham, which means "father of many nations" (Gen. 17:5). And the Lord changed Abraham's wife's name from Sarai to Sarah and said kings would come from her (Gen. 17:15–16 NKJV). At their age this seemed impossible. But once again, Abraham trusted God. And it came to pass.

Are you willing to wait on God for the right time? For the right answer? God sees every detail of your life. He is saying, "Don't panic or get ahead of Me. Rely on Me. Trust in Me, and I will see you through every detail of your situation."♥

GOD'S DISPLEASURE! "BAD TONGUE HABIT"

Hebrews chapter 11 tells us the one thing that PLEASES God the most, and that is FAITH. But Numbers chapter 11 tells us one of the things that DISPLEASES God the most. To find out what it is, simply take the first letter of each picture below and transfer it to the blank below each picture. The answer will appear.

14 empty boxes for writing the first letter of each object.

EXACT OPPOSITES

Listed below are 14 things you can do with your tongue . . . 7 are positive things and 7 are negative things. Break the "BAD TONGUE HABIT"

The children of Israel had a "bad tongue habit" and it showed up quite a lot on their journey through the wilderness. Read the passages below to discover a "bad tongue habit," that the children of Israel had . . . and quite a few "children of today" have.

Exodus 15:23-24 (NCV)—"Then they came to Marah, where there was water, but they could not drink it because it was too bitter. . . . The people grumbled to Moses, and asked, 'What will we drink?'"

Exodus 16:2-3 (NCV)—"Then the whole Israelite community grumbled to Moses and Aaron in the desert. They said to them, 'It would have been better if the Lord had killed us in the land of Egypt. There we had meat to eat. . . .'"

Numbers 14:2-3 (NCV)—"All the Israelites complained against Moses and Aaron, and all the people said to them, 'We wish we had died in . . . this desert. Why is the Lord bringing us to this land to be killed with swords?'"

Did you figure it out? The "bad tongue habit" that the children of Israel had was GRUMBLING AND COMPLAINING! And, if you'd be really honest, you might confess that you have the same "bad tongue habit" sometimes! It's time to break the "bad tongue habit" of grumbling and complaining. But, how do you break the habit?
